SERIES

100% USA-MADE RELOCATABLE STORAGE CONTAINERS

SHORTER LEAD TIMES

LOCKED-IN PRICING

Experience American-made reliability with shorter lead times and locked-in pricing

100% Made In the USA

Made of 100% domestically sourced components that allow for shorter lead times and higher quality.

Rapid 30-Minute, Quick-Assemble Design

Allows for easy 30-minute assembly and cost-effective shipping.

Constructed of Steel GalvalumeTM Sheet

Superior corrosion resistance, even compared to our current containers.

Reliable Roll-up Doors

Engineered for long term reliability, roll-up doors easily integrate with access control systems to enable remote unlocking, real-time monitoring and backend unit assignment.

Manufacturing Certified by a Third Party

Every Stars and Stripes container is manufactured in a third party certified facility to ensure every container is made to Stellar's high quality standards.

THE REVOLUTIONARY STELLAR "LIGHT 'EM UP" TRANSLUCENT ROOF

**LET THE LIGHT IN.
KEEP THE ELEMENTS OUT**

Allows light in so customers can see inside the container even when the doors are closed.

Constructed of StellariteTM

A thermo-composite glass fiber weave that creates an opaque light-through roof. This is the same material that has been used for the roofs of dry vans for more than 2 decades.

UV Resistant

The roof material is UV resistant and provides superior insulation which reduces sweating.

Rot And Corrosion Resistant

Resistant to rot, corrosion and mildew.

One-Piece Roof

The roof is constructed with a one-piece state-of-the-art waterproof adhesive to create a watertight seal. This sturdy roofing material will withstand hail and storm events, with a snow load of 40 psf waterproof system.

USA-MADE | SHORTER LEAD TIMES | LOCKED-IN PRICING

Not only are Stellar™ Stars & Stripes Containers built stronger to last longer, but because they are made in the USA, lead times will be shorter so your containers can start generating income sooner.

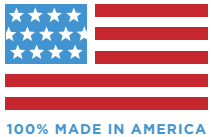

Lock in peace of mind with Stellar's 100% American-made Stars & Stripes Containers. You'll never have to worry about shifting overseas freight costs or new tariffs. Your price is locked in, your delivery is secure, and your planning stays on track.

Ship multiple containers with each truck to reduce shipping cost.
